We highly recommend Lyn Nauenburg as our trusted house and pet sitter. Lyn has cared for our home and pets both short-term and long-term. Leaving a home and pets behind can be stressful, but Lyn completely removes that anxiety. Lyn is trusted, reliable, responsible, and a blessing with our fur babies. During her stay, she managed playtime, daily dog walks, and administered medication, all with strict feeding schedules flawlessly. We received automated daily reports covering household details, including appliance checks, gas leak checks, mail collection, trash collection and recycling, plants and garden, incoming messages, internet and home security checks, pool and spa, and service provider and issues.

In addition to being a wonderful pet caregiver, Lyn is an immaculate and respectful house guest. Each time we return home, the house is clean, tidy, just as we left it. Lyn is communicative, trustworthy, and a true professional. I have absolute peace of mind with her looking after my property and my pets. I would rehire Lyn without hesitation, recommending her in the highest possible terms for any house or pet-sitting position.
